**Attention:** Israel Radomsky

Dear Sir,

This is in reply to your application for certification.

We have reviewed the related documents, and are pleased to advise that this device meets Industry Canada procedural and specification requirements for certification.

Certificate(s) are attached for the following model(s): VDA000XX

The assigned certification number must be shown on each equipment model. This certification identification information may be shown on the equipment model identification plate or on a separate label that shall be indelible and tamper proof. The certification number shall be prefixed with the letters "IC." The following note shall be conspicuously placed in the equipment user manual:

*The term "IC:" before the equipment certification number only signifies that the Industry Canada technical specifications were met.*

Details of this certification will appear on the *Radio Equipment List* maintained by Industry Canada at the website <http://strategis.gc.ca/spectrum>.

Sincerely,

A handwritten signature in black ink that reads "Yuriy Litvinov".

**NOTES  
INFORMATION**

Certification of equipment means only that the equipment has met the requirements of the above noted specification. License applications, where applicable to use certified equipment, are acted on accordingly to the issuing office and will depend on the existing radio environment, service and location of operation.

La certification du matériel signifie seulement que le matériel a satisfait aux exigences de la spécification indiquée ci-dessus. Les demandes de licences nécessaires pour utiliser du matériel certifié sont traitées en conséquence par le bureau de délivrance et dépendront de l'environnement radio existant, du service et du lieu d'exploitation.

This certificate is issued on condition that the holder complies and will continue to comply with the requirements of the radio standards specifications and procedures issued by Industry Canada.

Le présent certificat est délivré à condition que le titulaire satisfasse et continue de satisfaire aux exigences et aux procédures d'Industrie Canada.
